Overall Length:

1.240 inches

Pin Diameter:

0.018 inches

Overall Diameter:

0.060 inches

Pin Length:

1.000 inches

Mounting Method:

Force fit

Material:

Copper alloy 172 contact or copper alloy 173 contact

Material Specification:

Qq-c-530 federal specification all material responses contact

Surface Treatment:

Gold contact and nickel contact

Style Designator:

Pin contact

Terminal Type And Quantity:

1 pin end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
