Special Features:

Beryllium copper; black cadmium plate; 0.75 in. Dia; 0.25 in. H

Material Specification:

Qq-c-533 federal specification single material response

Surface Treatment Specification:

Qq-p-416, type 2, class 2 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
