**Overall Length:**

0.540 inches

**Overall Width:**

0.107 inches

**Cable Entrance Diameter:**

0.025 inches

**End Application:**

Aircraft, awacs, e-3a; air combat maneuvering instrumentation (acmi), consolidated space operations center

**Criticality Code Justification:**

Feat

**Special Features:**

Weapon system essential

**Material:**

Copper alloy body

**Surface Treatment:**

Tin contact

**Terminal Type And Quantity:**

1 crimp end opposite contact

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A222a0
