Overall Length:

0.540 inches

Overall Width:

0.107 inches

Cable Entrance Diameter:

0.025 inches

End Application:

Aircraft, awacs, e-3a; air combat maneuvering instrumentation (acmi), consolidated space operations center

Criticality Code Justification:

Feat

Special Features:

Weapon system essential

Material:

Copper alloy body

Surface Treatment:

Tin contact

Terminal Type And Quantity:

1 crimp end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
