Overall Length:

0.669 inches

Pin Diameter:

0.120 inches

Overall Diameter:

0.187 inches

Pin Length:

0.300 inches

Mounting Method:

Force fit

Material:

Copper alloy 360 body

Material Specification:

Qq-c-533 federal specification all material responses contact

Surface Treatment:

Any acceptable body

Style Designator:

Pin contact

Terminal Type And Quantity:

1 turret end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
