**Overall Length:**

1.000 inches

**Overall Diameter:**

0.110 inches

**Pin Accommodation Length:**

0.330 inches

**Mounting Method:**

Force fit

**Material:**

Plastic diallyl phthalate contact insulation

**Precious Material And Location:**

External surface gold

**Precious Material And Weight:**

0.005 gold grains, troy

**Precious Material:**

Gold

**Surface Treatment:**

Gold contact and nickel contact

**Terminal Type And Quantity:**

1 solder well axially at one end

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A222a0
