Overall Length:

5.880 inches

Overall Height:

0.620 inches

Overall Width:

4.000 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 temp t-451 federal specification single material response or qq-a-250.11 temp t0651 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
