Body Material:

Brass, qq-b-626, alloy 360, 1/2h

Diameter:

0.500 inches

Length:

0.250 inches

Mounting Method:

Hole

Fastening Facility:

Pin hole one side

Surface Treatment:

Copper and silver

Surface Treatment Specification:

Mil-c-14550 military specification 1st treatment response and qq-s-365, type 2, grade b federal specification 2nd treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T174-g

Mil-std (military Standard):

Mil-c-14550 spec.
