**Overall Length:**

0.461 inches

**Overall Height:**

0.070 inches

**Overall Width:**

0.052 inches

**Current Rating In Amps:**

3.0

**Mounting Method:**

Force fit

**Material:**

Copper alloy 170 contact or copper alloy 172 contact

**Material Specification:**

Qq-c-533, 1/4h federal specification all material responses body

**Precious Material And Location:**

Outer @surfaces gold

**Precious Material And Weight:**

0.005 gold grains, troy

**Precious Material:**

Gold

**Surface Treatment:**

Gold contact and nickel contact and copper contact

**Style Designator:**

Socket contact

**Terminal Type And Quantity:**

1 wire wrap end opposite contact

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A222a0
