**Overall Length:**

0.900 inches

**Overall Width:**

Any acceptable

**Pin Diameter:**

Any acceptable

**Slot Accommodation Width:**

Any acceptable

**Pin Length:**

0.109 inches

**Mounting Method:**

Force fit

**Material:**

Copper alloy 170 contact or copper alloy 172 contact

**Material Specification:**

Qq-c-533 federal specification all material responses contact

**Precious Material And Location:**

Outer surfaces gold

**Precious Material And Weight:**

0.005 gold grains, troy

**Precious Material:**

Gold

**Surface Treatment:**

Gold contact and nickel contact

**Style Designator:**

Module board contact

**Terminal Type And Quantity:**

1 pin end opposite contact

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A222a0
