Overall Length:

0.560 inches

Overall Height:

1.290 inches

Overall Width:

4.375 inches

Material:

Aluminum alloy 6063

Material Specification:

Qq-a-200, alloy 6063, temper 5 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type ii, color blue military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-a-8625 spec.
