Overall Length:

0.563 inches

Overall Diameter:

0.072 inches

Pin Accommodation Length:

Between 0.125 inches and 0.175 inches

Mounting Method:

Force fit

Material:

Copper alloy 172 contact or copper alloy 173 contact

Material Specification:

Qq-c-530 federal specification all material responses contact

Precious Material And Location:

Terminal and contact surfaces gold

Precious Material And Weight:

0.005 gold grains, troy

Precious Material:

Gold

Surface Treatment:

Gold contact and nickel contact

Style Designator:

Socket contact

Terminal Type And Quantity:

1 wire wrap end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
