Overall Length:

1.430 inches

Pin Diameter:

0.156 inches

Overall Diameter:

0.156 inches

Pin Length:

0.100 inches

Current Rating In Amps:

5.0

Mounting Method:

Force fit

Material:

Steel contact

Precious Material And Location:

Body surfaces gold and contact surfaces rhodium and body silver

Precious Material And Weight:

0.005 gold grains, troy and 0.005 rhodium grains, troy and 10.000 silver grains, troy

Precious Material:

Gold and rhodium and silver

Surface Treatment:

Nickel contact and rhodium contact

Style Designator:

Pin contact

Terminal Type And Quantity:

1 crimp end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
