Overall Length:

2.000 inches

Overall Width:

1.680 inches

Cross-sectional Thickness:

Between 0.016 inches and 0.020 inches

Environmental Protection Material Location:

Throughout rf shielding gasket

Material:

Rubber silicone class q environmental seal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
