Overall Length:

1.160 inches

Overall Diameter:

0.341 inches

Mounting Method:

Keyed hole

Material:

Copper alloy 172 body and contact

Material Specification:

Qq-c-530, condition hd federal specification single material response body and contact

Style Designator:

Cylindrical shape

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
