Overall Length:
1.160 inches
Overall Diameter:
0.341 inches
Mounting Method:
Keyed hole
Material:
Copper alloy 172 body and contact
Material Specification:
Qq-c-530, condition hd federal specification single material response body and contact
Style Designator:
Cylindrical shape
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A222a0
