Identification Code Color:

Green and red and red

Overall Length:

0.759 inches

Overall Diameter:

Between 0.101 inches and 0.103 inches

Cable Entrance Diameter:

Between 0.032 inches and 0.051 inches

Mounting Method:

Force fit and spring tension

Crimping Tool Identifying Number:

M22520/7-01

Special Features:

One 0.036 in. Min to 0.042 in. Maximum diameter hole located on one side of terminal wall

Material:

Aluminum alloy body and contact

Style Designator:

Socket contact

Terminal Type And Quantity:

1 crimp and solder axially at one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
