Overall Length:

2.500 inches

Overall Height:

0.080 inches

Overall Width:

2.190 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment Specification:

Mil-c-5541 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-c-5541 spec.
