Unthreaded Mounting Hole Diameter:

0.261 inches

Mounting Facility Quantity:

1

Mounting Method:

Unthreaded hole

Special Features:

One 0.189 in. Diameter through hole located at terminal end

Material:

Metal body and contact

Terminal Type And Quantity:

1 eyelet axially at one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
