**Overall Length:**

1.140 inches

**Overall Diameter:**

0.255 inches

**Mounting Method:**

Terminal

**Material:**

Plastic fluorinated ethylene propylene contact insulation

**Precious Material And Location:**

Body and contact surfaces gold

**Precious Material And Weight:**

0.005 gold grains, troy

**Precious Material:**

Gold

**Surface Treatment:**

Gold body and contact

**Style Designator:**

Cylindrical shape

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A222a0
