Overall Length:

5.900 inches

Overall Width:

5.800 inches

Special Features:

W/65 various size holes

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
