Overall Length:

0.675 inches

Overall Diameter:

0.117 inches

Voltage Rating In Volts:

500.0 ac

Pin Accommodation Length:

0.250 inches

Mating Contact Width:

0.006 inches

Material:

Copper alloy 170 contact or copper alloy 172 contact

Material Specification:

Qq-c-533 federal specification single material response contact

Style Designator:

Socket crimp contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
