Overall Length:

0.478 inches

Overall Diameter:

0.100 inches

Material:

Copper alloy 114 body and contact

Material Specification:

Qq-c-576 federal specification all material responses body and contact

Style Designator:

Dip solder tail contact

Terminal Type And Quantity:

1 pin axially at one end

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A222a0
