Cable Entrance Diameter:

Between 0.040 inches and 0.080 inches

End Application:

Power pole modular connector 1330

Current Rating In Amps:

30.0

Mounting Method:

Terminal

Material:

Copper alloy body and contact

Terminal Type And Quantity:

1 pin end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
