Overall Length:

0.440 inches

Overall Width:

18.000 inches

Thickness:

0.125 inches

Special Features:

Material: siliver rubber, silver partiles impregnated

Precious Material And Location:

Throughout gasketing material silver

Shape:

Triangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506y0
