Overall Length:

1.700 inches

Overall Height:

0.375 inches

Overall Width:

1.000 inches

Special Features:

W/6 various size holes

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-200 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
