Overall Length:

4.250 inches

Overall Height:

0.410 inches

Overall Width:

1.840 inches

Special Features:

W/10 various size hole

Material:

Aluminum alloy

Surface Treatment Specification:

Mil-c-5541 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-c-5541 spec.
