Terminal Quantity:

2 and 1

Terminal Type:

Clip and pin

Contact Quantity:

2

Structural Design:

Nonpile-up

Special Features:

The following is a partial listing of parts which make up the assembly ; contact part no.10527533; contact part no.11739532; and tube part no.11739524

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T142-d
