Overall Length:
7.380 inches
Overall Height:
0.120 inches
Overall Width:
7.000 inches
Material:
Aluminum alloy
Surface Treatment:
Anodize
Surface Treatment Specification:
Mil-a-8625, type 3, class 1 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03600
Mil-std (military Standard):
Mil-a-8625 spec.
