Overall Length:

1.330 inches

Overall Height:

0.480 inches

Material:

Aluminum

Material Specification:

Qq-a-250/1 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli

Fig:

A03600

Mil-std (military Standard):

Mil-a-8625 spec.
