Overall Length:

9.000 inches

Overall Width:

4.750 inches

Material:

Aluminum alloy 6063

Material Specification:

Qq-a-200/9, alloy 6063-t5 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-a-8625 spec.
