Cross Sectional Shape:

Emi

Overall Width:

0.500 inches

Cross-sectional Height:

0.450 inches

Special Features:

Unit of issue each item may have a lgth of up to 24 inches user can cut off excess

Material:

Nickel alloy 400 emi/rfi conductor

Style Designator:

Rectangular

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A032a0
