Overall Length:

2.800 inches

Overall Height:

0.300 inches

Overall Width:

2.050 inches

Material:

Aluminum alloy 6061

Material Specification:

Qq-a-250/11, alloy 6061-t4 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, type 2, class 1 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-a-8625 spec.
