Overall Length:

1.800 inches

Overall Height:

0.130 inches

Overall Width:

0.375 inches

Material:

Aluminum alloy

Material Specification:

Qq-a-225/8 t6 federal specification single material response

Surface Treatment:

Anodize

Surface Treatment Specification:

Mil-a-8625, ty ii, cl 2 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-a-8625 spec.
