Overall Length:

2.844 inches

Pin Diameter:

0.260 inches

Overall Diameter:

0.375 inches

Voltage Rating In Volts:

600.0 dc

Current Rating In Amps:

20.0

Mounting Method:

Terminal

Material:

Plastic vinyl acetate contact

Precious Material And Location:

Contact surface silver

Precious Material And Weight:

0.005 silver grains, troy

Precious Material:

Silver

Surface Treatment:

Nickel body

Style Designator:

Pin contact

Terminal Type And Quantity:

1 banana jack end opposite contact

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A222a0
