Overall Length:

0.062 inches

Overall Width:

0.062 inches

Thickness:

0.062 inches

Special Features:

Usage location: through rf shielding gasket; sealing medium material type: silicone

Material:

Silicone and silver

Precious Material And Location:

Throughout rf shielding gasket silver

Shape:

D-shape

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A506y0
