Overall Width:
0.200 inches
Overall Diameter:
0.813 inches
Unthreaded Mounting Hole Diameter:
0.067 inches all mounting facilities
Mounting Facility Type And Quantity:
3 unthreaded hole all mounting facilities
Material:
Aluminum alloy 6061
Material Specification:
Qq-a-225/6 federal specification single material response
Surface Treatment:
Anodize
Surface Treatment Specification:
Mil-a-8625, type 3, class 1 military specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03600
Mil-std (military Standard):
Mil-a-8625 spec.
