**Overall Length:**

16.500 inches

**Overall Height:**

0.063 inches

**Overall Width:**

3.380 inches

**Unthreaded Mounting Hole Diameter:**

0.220 inches single mounting facility and 0.226 inches single mounting facility

**Mounting Facility Type And Quantity:**

8 unthreaded hole single mounting facility

**Material:**

Aluminum alloy

**Material Specification:**

Qq-a-250/1 federal specification single material response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A03600
