Body Style:

Horizontally mounted

Overall Length:

2.780 inches

Overall Height:

0.510 inches

Overall Width:

1.050 inches

End Application:

Gun, air def.Art.Towed 20mm m167a2

Mounting Facility Type And Quantity:

2 threaded hole single mounting facility

Accommodated Device Mounting Hole Pattern Style:

Two hole - 2.125 inch

Accommodated Device Mounting Hole Quantity:

2

Material:

Aluminum alloy 6063

Material Specification:

Qq-a-200/9 federal specification single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
