Overall Length:

4.920 inches

Overall Height:

0.040 inches

Overall Width:

2.620 inches

Material:

Aluminum

Material Specification:

Qq-a-250/11 federal specification single material response

Surface Treatment:

Copper alloy and tin

Surface Treatment Specification:

Mil-c-14550, class 2 military specification 1st treatment response and mil-t-10727, type 1 military specification 2nd treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-c-14550 spec.
