**Overall Length:**

6.250 inches

**Overall Height:**

6.000 inches

**Overall Width:**

6.250 inches

**Unthreaded Mounting Hole Diameter:**

0.765 inches all mounting facilities

**Mounting Facility Type And Quantity:**

4 unthreaded hole all mounting facilities

**Material:**

Aluminum alloy 6063

**Material Specification:**

Qq-a-200 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03600
