Overall Length:

6.250 inches

Overall Height:

6.000 inches

Overall Width:

6.250 inches

Unthreaded Mounting Hole Diameter:

0.765 inches all mounting facilities

Mounting Facility Type And Quantity:

4 unthreaded hole all mounting facilities

Material:

Aluminum alloy 6063

Material Specification:

Qq-a-200 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
