Overall Length:

7.775 inches

Overall Height:

0.340 inches

Overall Width:

3.380 inches

Unthreaded Mounting Hole Diameter:

0.098 inches first mounting facility and 0.102 inches first mounting facility

Mounting Facility Type And Quantity:

5 unthreaded hole third mounting facility

Material:

Copper alloy 102

Material Specification:

Qq-c-576 federal specification single material response

Surface Treatment:

Nickel

Surface Treatment Specification:

Mil-f-14072, -312 military specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600

Mil-std (military Standard):

Mil-f-14072 spec.
