**Overall Length:**

0.813 inches

**Overall Height:**

0.300 inches

**Overall Width:**

0.397 inches

**Special Features:**

Used on dual in-line packages

**Material:**

Copper alloy 172

**Material Specification:**

Qq-c-533, alloy 172, condition 1/2 hard federal specification single material response

**Surface Treatment:**

Cadmium

**Surface Treatment Specification:**

Qq-p-416, type 2, class 3 federal specification single treatment response

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03600
