Overall Length:
0.813 inches
Overall Height:
0.300 inches
Overall Width:
0.397 inches
Special Features:
Used on dual in-line packages
Material:
Copper alloy 172
Material Specification:
Qq-c-533, alloy 172, condition 1/2 hard federal specification single material response
Surface Treatment:
Cadmium
Surface Treatment Specification:
Qq-p-416, type 2, class 3 federal specification single treatment response
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
A03600
