Overall Length:

5.000 inches

Overall Height:

2.500 inches

Overall Width:

5.000 inches

Voltage In Volts And Current Type:

5.0 dc

Special Features:

Case material: plastic; inclosure type: uninclosed; terminal location: base; power source: external; terminal type and qty: connector plug, 7

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A514a0
