**Body Style:**

Horizontally mounted

**Overall Length:**

1.700 inches

**Overall Height:**

0.500 inches

**Overall Width:**

1.250 inches

**Unthreaded Mounting Hole Diameter:**

0.250 inches first mounting facility and 0.252 inches first mounting facility

**Mounting Facility Type And Quantity:**

2 unthreaded hole second mounting facility

**Material:**

Aluminum alloy 2024

**Material Specification:**

Qq-a-250/4 federal specification single material response

**Surface Treatment:**

Anodize

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A03600
