Body Style:

Horizontally mounted

Overall Length:

1.700 inches

Overall Height:

0.500 inches

Overall Width:

1.250 inches

Unthreaded Mounting Hole Diameter:

0.250 inches first mounting facility and 0.252 inches first mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole second mounting facility

Material:

Aluminum alloy 2024

Material Specification:

Qq-a-250/4 federal specification single material response

Surface Treatment:

Anodize

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
