Overall Length:

6.525 inches

Overall Height:

2.687 inches

Overall Width:

3.500 inches

Unthreaded Mounting Hole Diameter:

0.438 inches first mounting facility

Mounting Facility Type And Quantity:

2 unthreaded hole first mounting facility

Material:

Aluminum alloy 6063

Material Specification:

Qq-a-274 federal specification single material response

Surface Treatment:

Chromate

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A03600
