Overall Length:

1.250 inches

Overall Height:

0.140 inches

Overall Width:

0.500 inches

Unthreaded Mounting Hole Diameter:

0.094 inches all mounting facilities

Mounting Facility Type And Quantity:

2 unthreaded hole all mounting facilities

Material:

Copper alloy 172

Surface Treatment:

Nickel alloy

Surface Treatment Specification:

Qq-n-290 federal specification single treatment response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A03600
